

Dear Supporter,

L.G. CARES is grateful for all the personal & business memberships that we have received. Without this support our organization would not have been such a success.

L.G. CARES IS PROUD OF ITS ACCOMPLISHMENTS IN THE PAST YEAR.

*Your membership enabled us to sponsor the following events:*

- *L.G. CARES Scholarships were awarded to qualified graduating high school students who reside in Lake Grove and attend schools in Sachem, Middle Country and Three Village School Districts.*

*Each school receives 2 - \$250 Scholarships totaling 6 altogether.*

- *We participated and contributed funds to the Harvest Festival and Halloween Celebration.*
- *The Summer Concert Series, Christmas Celebration and family events brought great entertainment to our Village Residents.*

L.G. CARES is asking for **your membership commitment** to accomplish even greater things in the coming year.

- Plan to join us for a **Super Storm Sandy Relief Concert** to aid communities that are still recovering from the damage this storm has caused.
- The Antique Appraisal Show invites you to come and bring your cherished items for a professional eye given toward its possible value...
- We plan to continue our Scholarship Program, in addition to sponsoring family geared events that will enhance our community.

**“Please start or renew your membership today!”** Business members will be prominently posted on our L.G. CARES Website and Facebook page as a supporter. In addition, you will receive a Business Certificate for display, so your customers can see that you are a proud supporter of your community.

***Personal and family members will receive a 10% discount to all of our fee based events that we sponsor.***

Thank you for your support. Remember, **“It Takes A Village to Make A Village!”**

**Yours truly,**

**L.G. CARES**

Thank you for becoming a member of the  
Lake Grove Cultural Arts, Recreation & Education Society
